

Seeks a
TROMBON PLAYER
– a musical chameleon!

From January 2022 we need a fantastic and multifaceted trombone player! You will play in a wide range of genres, predominantly in brass sextet and Swedish spa music ensemble on traditional instruments as well as in big band, wind orchestra and Sinfonietta – and sometimes for military engagements (in uniform). Jazz improvisational skills constitute part of the auditions. You must also be able to play the valve trombone.

The employment is permanent on 100%, with 12 months of probationary employment.

The audition is in two stages:

1) Video recording:

Repertoire:

- Solo playing: *F. David, Concertino for trombone, 1st movement* (up to and including cadenza) – N.B. without piano accompaniment.
- One jazz improvisation over a pre-recorded backing track; the track and chord analysis is available on our website www.gotlandsmusiken.se/jobba-hos-oss).

Each piece must be recorded in one single take. The files must be sent via compressed file transfer to jobb@gotlandsmusiken.se. Please include a CV and short motivation letter with your recording.

Welcome with your application no later than 15th April 2021!

2) Live audition: After reviewing the video submissions, the jury will invite selected participants to the second part of the audition at GotlandsMusiken in Visby, Gotland, Sweden (provisionally 31/05-01/06 2021, corona pandemic allowing).

Repertoire:

- Day 1: *F. David: Concertino for trombone, 1st and 2nd movements* solo with piano accompaniment
- Day 2 (for selected applicants): Ensemble playing - selected excerpts (submitted in advance) with the brass ensemble and jazz improvisation with jazz group.

GotlandsMusiken (GM), one of Sweden's 23 regional music institutions funded mainly by state and region, is Gotland's only regular professional ensemble with 15 full-time musicians for diverse styles of music: jazz trio • woodwind quintet • brass sextet • GM Orchestra • Gotland Big Band.

GM has the regional music assignment, which encompasses community concert activities in schools, health care, local libraries next to public concert series. GM inspires, supports and collaborates with the local music life in the fields of youth and education, amateur music life, freelance professionals and concert organizers. GM carries out app. 340 activities per year for an audience of 33.000 people (2019), predominantly on Gotland.

GotlandsMusiken works consistently towards a gender balanced, intersectional perspective in line with our policies.

GotlandsMusiken is member of Svensk Scenkonst, the employers' association of performing arts in Sweden and follows the central treaties with relevant trade unions. More info on www.gotlandsmusiken.se.
